The one sentence judicial oath of federal judges,

*"I . . . do solemnly swear that I will administer justice without respect to persons, and do equal right to the poor and to the rich, and that I will faithfully and impartially discharge and perform all the duties incumbent upon me . . . under the Constitution and laws of the United States, so help me God."<sup>1</sup>*

## "God"

### Known By Many Names<sup>2</sup>

The people say the Banks lied.

The people say Wall Street lied.

The people say the Government lied.

The people know attorneys lie.

The people know the judges listen to these lies.

The judges condone the lies.

Congress does not hear the American people.

Just like attorneys, only a small number of persons within the Banks,  
Wall Street and the Government lie.

Why lie?

Protect the Economy!

More like conceal the Biggest Fraud in History.

Nobody will admit to a crime and it is up to the courts of the land to  
punish the people that do commit crimes. Here the legal system failed.

God will not judge the failure of the legal system.

God will judge the failure of the man.
