A short story from...

“Have A Note”

This is all explained by James McGuire in many of his papers including this from “Have A Note”

By: *AlvieC*

If you did this

You would go to Jail

**IN RE: AMENDMENTS TO RULES OF CIVIL PROCEDURE AND FORMS FOR
USE WITH RULES OF CIVIL PROCEDURE - Florida Supreme Court**

[http://www.floridasupremecourt.org/clerk/comments/2009/09-1460_093009_Comments%20\(FBA\).pdf](http://www.floridasupremecourt.org/clerk/comments/2009/09-1460_093009_Comments%20(FBA).pdf)

Forgery or Fraudulent Negotiable Instrument UCC

Promissory Note

Negotiable Instrument

“Intentional voluntary act such as destruction is discharge of the debt obligation, UCC Article 3, 3-604.”

Forgery or Fraudulent Negotiable Instrument UCC

Promissory Note

Negotiable Instrument

*“Everybody is looking at the slice and dice as
the problem, ...”*

Forgery or Fraudulent Negotiable Instrument UCC

Promissory Note

Negotiable Instrument

“..in reality the real problem is that the eNotes have no law to support their existence for use in the securities market as ESIGN and UETA both exclude items governed by UCC Article 3 - Negotiable Instruments.”

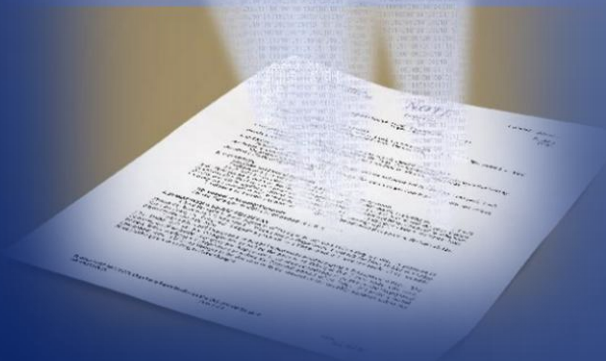

Forgery or Fraudulent Negotiable Instrument UCC

Promissory Note

Negotiable Instrument

“Banks in an attempt to make sure their fraud remains concealed provide their law firms with a copy of the note and in some cases a lost note affidavit then the banks law firms use slickery trickery wording to deceive everybody in believing that a copy is sufficient proof and the destruction of the note remains hidden.”

Forgery or Fraudulent Negotiable Instrument UCC

Promissory Note

Negotiable Instrument

“For some of the reasons stated above and others reason further stated in this document the presentation of the original note with all assignments is the only proof that should be allowed.”
